

LIVE ONLINE CLASSROOM

WHY CHOSE THIS METHOD OF STUDY?

- You travel frequently, working away from home or not near a BPP Centre.
- You like the discipline of fixed dates and times.
- You prefer being able to ask tutors questions during class and receive immediate answers.
- You like to interact with your fellow students.
- You value proactive guidance and support from a named tutor.

WHAT'S INCLUDED IN THE PACKAGE?

- Online lectures broadcast live where you can ask questions and receive answers during the lecture.
- Extra non-speaking tutors may be helping to answer your questions in the chat box.
- The 'Taught phase' teaches you about the syllabus topics.
- Your tutor will give you time to attempt exercises in class and you can ask for help as necessary.
- Online lectures cover the same topics as if you were attending one of our face-to-face classes.
- The 'revision phase' focuses on past exam questions.
- Debriefs of past exam questions explaining what the requirements mean, how to start and how to earn the most marks in the time available.
- Time is given to you in class to attempt questions before your tutor debriefs. Your tutor will respond to your questions while you make your attempt. Pre-recorded question debriefs are also available.
- Question day/mock exam as a last minute rehearsal.
- The Taught, revision and Question day/mock exam are purchased separately.
- Live Broadcasts are recorded so you can watch them again.

- Pre-recorded online lectures which you can watch when you like and which you can pause, rewind and play as many times as you like up to the exams.
- You can watch the pre-recorded lecture in advance of the live broadcast lectures so that you can be better prepared to focus on the difficult issues during the live class.
- Pre-recorded lectures from previous exams which revise the assumed knowledge for your current exam.
- Progress tests to see if you have really absorbed and understood the topics.
- Course exams which are marked and feedback is given to help you to improve your performance.
- Courses exams are marked only for the taught phase.
- A named tutor dedicated to supporting you all the way to the exam.
- You can ask your tutor questions at any time. Your tutor may respond by e-mail or on the online forum so that everyone can benefit from the response.
- Your tutor will be proactive, sending e-mails to guide you on your studies.
- Study guide which breaks down your studying into manageable portions.
- Your tutor will monitor attendance and performance and offer guidance if you are having problems.
- Online forum to share problems with your fellow students and help each other.
- A full selection of BPP published books.
- Condensed course notes with higher exam focus than the full study text which allows you to study more efficiently. They are designed to save you time. You work through the course notes annotating as necessary and completing the exercises as you watch the lectures.

- Pass assurance. We are so confident that you can pass if you follow our learning plan that if you happen to fail you can attend classes again.
