ACCA Programme structure

Knowledge module

Introduces you to the core areas of financial and management accounting.

Skills module

Positioned at an intellectual level equivalent to a Bachelor's degree, the skills module comprehensively covers the main technical areas of law, performance management, taxation, financial reporting, auditing and financial management.

Essentials module

Consists of three exams that build upon the technical skills acquired at the Fundamentals Level.

They explore advanced professional skills, techniques and values that you will require to act as an expert accountant in an advisory or consultancy role at senior level.

Options module

Allows you to specialise in particular topic areas, equipping you with the knowledge needed to give you a head start along your anticipated career path.

Flexibility, support and success

Choose to study via our Online Classroom or Online Classroom Live, enabling you to study in the way that's most convenient and effective for you. You'll also be provided with on-going support and guidance.

Online Classroom - from only £120 per paper*

Online Classroom is ideal if you want the flexibility of studying whenever and wherever you want combined with the support of a dedicated tutor. Study at your own pace, with access to the library of online content which includes a comprehensive suite of online lectures and the ability to interact with your tutor and fellow students through our online forums.

Key benefits

Flexibility - Pre-recorded lectures enable you to log in anytime, anywhere and access your study materials. You can also pause, rewind and fast forward lectures, allowing you to study at your own pace.

Support - You are assigned a BPP tutor - a subject specialist who is there to guide and assist you in your learning. Regular, proactive emails also ensure you stay motivated, your learning remains efficient, and that you maximise anytime spent out of the office.

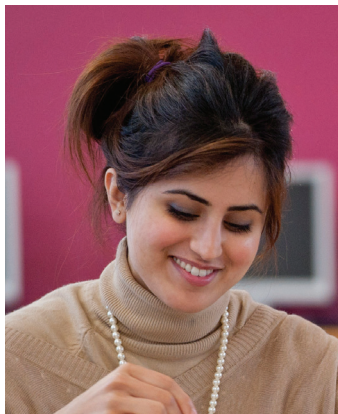

Resources - BPP provides you with a library of online study materials from BPP Learning Media, a market-leading publisher of targeted study materials for professional exams and business reference.

Experience - With over 35 years' experience in the training market, we have harnessed all the knowledge and best practices of our classroom courses to design and develop a market-leading Online Classroom.

Student Networking - As all students globally study in a cohort, per paper, you can network through our online forum with other BPP students around the world - your virtual 'class'.

BPP's Pass Assurance - We are so confident that you will pass with us, we allow you to attend a course for free if you do not pass their first attempt.***

Online Classroom Live - from only £180 per paper*

Our award-winning Online Classroom Live is ideal if you like the discipline and motivation of a structured and timetabled course and can commit to scheduled sessions.

Key benefits

Structured progress - Attend live tutor-led sessions at set dates and times, giving you the structure that a classroom course would provide. This ensures you make structured progress through your studies.

Experienced BPP tutors - Each live session is delivered by a BPP tutor. The tutor leads the live session and delivers the technical material, and manages the interaction with students - ensuring that all students receive responses to their questions promptly.

Catch up - All live sessions are recorded, so that if you miss a session you can catch up at a later date that suits you.

On-going support - You will also benefit from proactive tutor contact via regular emails, and forum posts aimed at stimulating discussion to help you prepare for their exam.

"Online classroom live courses have given me so much more structure to my learning and revision and made time tabling effortless. Knowing you have a course on a certain day at a certain time allows you to get on with other commitments without that guilty feeling that you are substituting time you should be using to study."
