

## **AAT FAPR – errata and clarification**

**(Version – 31.08.16)**

### **Course Book: Page X Introduction to the assessment**

The information is incorrect as there are only six tasks in the unit assessment and no human marked assessments.

The information on page x should say:

**You have 2 hours to complete this assessment.**

**This assessment contains 6 tasks and you should aim to complete every task.**

**Each task is independent. You will not need to refer to your answers to previous tasks.**

**Read every task carefully to make sure you understand what is required.**

**The standard rate of VAT is 20%.**

**Where the date is relevant, it is given in the task data.**

**Both minus signs and brackets can be used to indicate negative numbers unless task instructions say otherwise.**

**You must use a full stop to indicate a decimal point. For example, write 100.57 not 100,57 or 100 57.**

**You may use a comma to indicate a number in the thousands, but you don't have to. For example, 10000 and 10,000 are both OK.**
